

# 2016 *Declutter Challenge*

## Checklist For *June*

### Family room/Playroom Media, Art and Schoolwork

The end of the school year is a good time to review collected artwork and school papers, and choose a small number of special pieces to save in a portfolio or document box.

- Edit schoolwork and art from the past year
- Gather a bag of DVDs, books and CDs to give away or sell
- Sort through toys and games; get rid of those your family no longer enjoys, as well as anything missing key pieces

**Habit to cultivate:** At the beginning of each school year, pick up a simple art portfolio. When your child brings work home, enjoy all of it for a while, but choose only a few special pieces to put in the portfolio.
