

# 2016 *Declutter Challenge*

Checklist For  
*July*

## Yard / Storage Shed Garage and Tools

Being outdoors in midsummer makes this a good time to get outdoor tools and equipment in order.

- Get rid of broken tools and those you no longer need
- Sort through gardening supplies
- Toss worn-out outdoor furnishings and decor
- If you've been collecting items to sell, hold a yard sale this month. At the end of the day, take unsold items to a charity donation center

**Habit to cultivate:** Keep everything in your garage or shed on shelving, not on the floor. This helps prevent accumulating a pileup of junk and keeps your gear cleaner.
