

# 2016 *Declutter Challenge*

## Checklist For *September*

### Mudroom Entrances and Junk Drawers

Embrace the back-to-school spirit (whether or not you have kids) by getting the busiest zones of your house clutter-free this month.

- Put away stray items in entrances that belong elsewhere
- Add extra hooks or shelves if you need them to help corral items
- Sort through junk drawers, baskets, trays and any other spots that accumulate random junk
- Invest in drawer organizers or a wall-mounted organizer to keep small items neat

**Habit to cultivate:** Do an end-of-day tidy-up of the entryway, putting shoes, coats and random items back where they belong.
