

2017 *Declutter Challenge*

Checklist For *November*

Hobbies and Crafts

Get ready for holiday crafting and gift wrapping by clearing out your stash and organizing supplies this month.

- Clean out gift-wrapping supplies, tossing empty tape dispensers, out-of-ink pens and shreds of gift wrap and ribbon
- Downsize your craft stash by donating spare materials — many organizations (schools, retirement centers, etc.) are happy to accept donations of craft supplies
- Keep works in progress together in bags, bins or boxes

Habit to cultivate: Take the time to put away your craft supplies neatly when you are done working. A messy stash makes it more likely you will buy something you already have simply because you couldn't find it!
